RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants elect Group I (claims 1 to 16) in response to the Restriction Requirement of August 2, 2006. Applicants traverse the requirement to the extent of requesting that claims in Group II that correspond to allowable Group I claims be reinstated for allowance. Applicants further elect aluminum hydroxide and polyethylene terephthalate for the heat absorbing material and the mold release film resin in response to the species election. Of the elected claims, claims 1-16 read upon the elected species. An early and favorable action on the merits is requested.
